

# Sydney City Redbacks Korfball Club

## What a great start!

We are only a couple of games into the season and the hard work during pre-season is showing its fruits. Our newest members are working hard and our more experienced players are sharing their knowledge. As club president, I can't ask for more than collaboration and fun. And when I see people smile during training or after the game and come together for a drink, I know we are heading in the right direction.

While fun is the most important thing, I'd be lying if I said that competitiveness is not on my list. Because it is. Ultimately we are working towards nationals where we want to present both an A and B grade team that show they have fun playing korfball and will work hard and fair to win every game.

So keep coming along to our Monday night training, keep learning and keep practicing!

- Amber

## Competition - the stats

### The Andrew Barrett Cup

Team	Played	Points	Win	Lose	Draw	Goals	Goals Against	Goal difference
Loyals	2	3	1	0	1	27	19	8
Red Roos	2	3	1	0	1	21	20	1
Black Bilbies	2	2	1	1	0	24	21	3
Court Jesters	2	0	0	2	0	19	31	-12

The aim of the Andrew Barrett Cup was to split the Newcastle and Sydney clubs each into two evenly experienced teams, resulting in a pool of four team competing against each other. The results of the first 2 games show how close the competition is so far and the ultimate title is still up for grabs from any of the teams.

The first Sydney derby, Red Roos vs Black Bilbies, was a very tight game. The decider was ultimately scored in the last few seconds by Alex in favour of the Red Roos.

The Sydney teams travelled up to Newcastle where it was shown that last minute goals seems to be a theme for the Red Roos as it was Amber scoring in the last few minutes of the game to secure a draw against the Loyals. The Black Bilbies put on a good fight against the Court Jesters and came out on top with a 16-12 win; they showed the upper hand in a fair but tough game.

Congrats to both teams for their performances thus far!

#### Next game dates:

**26 May:** Red Roos vs Court Jesters - Sydney Uni

**26 May:** Black Bilbies vs Loyals - Sydney Uni

**17 June:** Black Bilbies vs Red Roos - NCIE

**30 June:** NSW Cup - Newcastle

**14 July:** Black Bilbies vs Court Jesters - Sydney Uni

**14 July:** Red Roos vs Loyals - Sydney Uni

## Save the date

### 13th of May - Social Game Night, NCIE

As Newcastle had to pull out on the 12th of May due to a shortage of players we are organising another social game night on the 13th May. The usual Monday training will not just be a game night but also a selection training for those players who wish to make the A-Grade team for the rest of the season.

The game will be set up with A-grade players on one side and B-grade players on the other. The more players we have, the better the game. Do bring along friends, family and colleagues as this is a great opportunity to showcase the game to them and recruit new players!

### 19th of May - Bunnings Sausage Fundraiser, MASCOT

Our first Bunnings sausage fundraiser of the season will be on Sunday 19th of May at Mascot. Some help in the afternoon is still needed so if you have 3 hours to spare, please do let us know.

However, if you are not able to physically help, please do help us spread the word. A post will be created on social media soon and any sharing would work. The more mouths we feed, the more the club can organise!

2019 is a year to dream big. The committee will keep looking at ways to make the sport even more accessible, fun and inviting but we can't do it without you. Please feel free to share your ideas with us and we will look at how we can implement them.

May 2019

Hope to see you at our next training,
